Summary

- I am still a high school student and I am learning front-end development, but this does not mean that I am not experienced in it. Rather, I am very good in it and I have learned a lot from it. I am now proficient in HTML and CSS and I have practiced them a lot until I reached the stage of mastery.

Strengths

• Eager to learn new skills

As a person who is starting out, I am constantly seeking for new ways to grow and expand my skill set.

• Not afraid of failure

Strong believer in the mantra that we learn from our mistakes.

• Time management

I always set aside time to plan my week and distribute the workload by days so that I can simultaneously meet deadlines and maintain my well-being.

Projects

• Portfolio
